NAAC B

(Grant-in-Aid Institute affiliated with Sardar Patel University)

Bachelor of Education (B.Ed. English)

VISION

To add significantly to our civilizational tradition of excellence in learning, to attain knowledge, enlightenment and self-realization in universally relevant context.

MISSION

To provide value added, globally relevant teacher education with an emphasis on the Techno Management domain, as we endeavor to enable our learners to cope with new challenges in the global context.

OBJECTIVE

It includes creating a stimulative learning climate through training and research, enhancing creative and critical thinking, nurturing inner urge for learning, developing and producing instructional materials and creating a body of research in ELT relevant to Gujarati speaking learners of English.

If one keeps the international scene in mind, the knowledge of English is inevitable for intellectual growth and technological development. Along with increasing use of regional language, a sound study of English needs to be encouraged as an instrument of acquiring knowledge.

Shri H M Patel
Founder of the Institute

About HMPIETR

This institute was established in 1965 when, knowing that a majority of teachers teaching English in the early 60's did not have English as their subject of specialization, Shri H M Patel decided to do something about it. During his 60th birthday celebrations in 1964 Shri HM Patel was presented a purse by his friends and well-wishers and he decided to use a major part of it for the establishment of this institute with the primary objective of preparing a cadre of well-trained teachers of English.

Programme Offered

Sr. No.	Programme	Duration
1	B.Ed (English)	Four Semesters
2	M.A. ELT	Four Semesters
3	M.Phil ELT	Two Semesters
4	Ph.D. ELT	Min. Six Semesters

Members of Faculty

The institute faculty consists of competent persons who have undergone specialized training in the teaching of English at this institute, at EFLU, Hyderabad; and at various universities.

The instructions in the institute is offered not only through lectures, but also through seminars, tutorials, group work sessions, guidance classes, library and laboratory sessions and individual tasks and assignments. Normally, in the course of a day the number of lectures is considerably smaller than the other modalities used.

In addition to the regular teaching assignments in the institute, the Faculty undertakes research, experimentation and practical work in schools and is involved in the extension services offered by the institute. The faculty is actively engaged in research and experimental work and they regularly participate in seminars and workshops at which they present research papers and reports on experiments.
