If one keeps the international scene in mind, the knowledge of English is inevitable for intellectual growth and technological development. Along with increasing use of regional language, a sound study of English needs to be encouraged as an instrument of acquiring knowledge.

Shri H M Patel

From the Desk of Principal

It is a great pleasure to welcome you to H M Patel Institute of English Training and Research, managed by Charutar Vidya Mandal, Vallabh-Vidyanagar, Gujarat, INDIA.

HMPIETR is the pioneer ELT institute in west India with a group of very talented teacher-educators and staff who set high standards and expectations for the future teachers. We are inclusive and celebrate the diversity and uniqueness of everyone within the institute. Our main goal is to make our teacher trainees feel home here and teach English through English and thereby gain competence in English language. Our academic standards continue to improve each year and the curriculum we have designed ensures that our trainees will be able to address any class any level confidently and use English fearlessly anywhere in the world.

We have planned add on courses, value added courses, and self learning courses in addition to the prescribed curriculum along with extra-curricular activities to help enrich trainees' academic and social experiences, taking learning beyond the four walls of the classroom. There are hostels for both boys and girls on the campus and 24 hour medical assistance and security is assured by the management. We ensure placements for our trainees in both regional and international schools. Free training is given for all final semester students and alumni for TET/TAT/NET.

Welcome to HMPIETR

H. M. Patel Institute of English Training and Research (HMPIERT) is one of the few outstanding educational institutions offering B.Ed. (English) programme keeping with an international standard of excellence. The Parent body of this institution is Charutar Vidya Mandal, (CVM) the Public Charitable Trust founded in 1945. It was Dr. H.M. Patel, the senior ICS officer who served as Finance minister and Home Minister of India in late 80s led to the inception of this institute in 1965 to cater quality education and produce highly competent teachers of English language. The institute is renowned for its activities like in-service training programmes for teachers, extension services like orientations, workshops, symposiums and research publications. In order to sustain the established quality measures and continuous contribution in ELT through blazing activities, the institution is all set to invigorate all its strengths.

About CVM

One of the greatest sons of India Late Sardar Vallabhbhai Patel inspired Shri Bhaikaka and Shri Bhikabhai Saheb for rural resurgence of post-independent India through education, and Charutar Vidya Mandal was born. Charutar Vidya Mandal was established in the year 1945 as a charitable trust with a prime objective of rural development through education to bring about the social awakening, social upliftment and enrichment. The uniqueness of Charutar Vidya Mandal lies in its ability to use quality education as a powerful means of social transformation. It was a stupendous task for the founders to establish a visionary organization; but the large-heartedness and high sense of philanthropy of this region made this possible. Over the subsequent years, Late Dr. H M Patel consolidated the efforts put in by the founders. Later on, in the 1990s, when Late Dr. C L Patel took over the reigns of Charutar Vidya Mandal as the Chairman, the country was facing a major economic and ideological change paving the way for globalization and liberalization.
